ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement on Form S-3 that we filed with the SEC using the SEC's "shelf registration" rules. Under the shelf registration process, using this prospectus, together with a prospectus supplement, we may offer and sell, from time to time, up to an aggregate of 1,500,000 shares of our common stock, in one or more offerings and at prices and on terms that we determine at the time of the offering. In addition, the selling stockholders named in this prospectus under the caption "Selling Stockholders" may offer and sell, from time to time, in one or more offerings, up to an aggregate of 20,524,003 shares of our common stock.

This prospectus provides you with a description of our common stock as well as other information you should know before investing in our common stock. Each time we or the selling stockholders offer and sell our common stock, we will provide one or more prospectus supplements that will contain specific information about the terms of that specific offering of our common stock and the specific manner in which it may be offered. The prospectus supplement may also add to, update or change any of the information contained in this prospectus. To the extent that any statement we make in a prospectus supplement is inconsistent with statements made in this prospectus, the statements made in this prospectus will be deemed modified or superseded by those made in the prospectus supplement. You should read both this prospectus and the applicable prospectus supplement together with the additional information described under "Where You Can Find Additional Information and Incorporation of Certain Information by Reference" before making an investment decision. This prospectus may not be used to sell our common stock unless it is accompanied by a prospectus supplement.

This prospectus contains summaries of certain provisions contained in some of the documents described herein, but reference is made to the actual documents for complete information. All of the summaries are qualified in their entirety by the actual documents. Copies of some of the documents referred to herein have been filed or will be filed or incorporated by reference as exhibits to the registration statement of which this prospectus forms a part, and you may obtain copies of those documents as described below under "Where You Can Find Additional Information and Incorporation of Certain Information by Reference." We urge you to read that registration statement in its entirety, including all amendments, exhibits, schedules and supplements to that registration statement.

As used in this prospectus, "Lincoln," "the Company," "we," "our," or "us" mean Lincoln Educational Services Corporation and its wholly owned subsidiaries. The term "selling stockholders" refers, collectively, to the selling stockholders named under the caption "Selling Stockholders" in this prospectus.

These forward-looking statements include, without limitation, statements regarding: proposed new programs; expectations that regulatory developments or other matters will not have a material adverse effect on our consolidated financial position, results of operations or liquidity; statements concerning projections, predictions, expectations, estimates or forecasts as to our business, financial and operating results and future economic performance; and statements of management's goals and objectives and other similar expressions concerning matters that are not historical facts. Words such as "may," "should," "could," "would," "predicts," "potential," "continue," "expects," "anticipates," "future," "intends," "plans," "believes," "estimates," and similar expressions, as well as statements in future tense, identify forward-looking statements.

Forward-looking statements should not be read as a guarantee of future performance or results, and will not necessarily be accurate indications of the times at, or by, which such performance or results will be achieved. Forward-looking statements are based on information available at the time those statements are made and/or management's good faith belief as of that time with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in or suggested by the forward-looking statements. Important factors that could cause such differences include, but are not limited to:

- actual or anticipated fluctuations in our results of operations;
- our failure to comply with the extensive regulatory framework applicable to our industry or our failure to obtain timely regulatory approvals in connection with a change of control of our company;
- our success in updating and expanding the content of existing programs and developing new programs in a cost-effective manner or on a timely basis;
- risks associated with the opening of new campuses;
- risks associated with integration of acquired schools;
- industry competition;
- our ability to continue to execute our growth strategies;
- conditions and trends in our industry;
- general and economic conditions; and
- other factors discussed under the headings "Risk Factors," "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Business" in this prospectus, any prospectus supplement or in the documents incorporated herein by reference.

Forward-looking statements speak only as of the date the statements are made. Except as required under the federal securities laws and rules and regulations of the SEC, we undertake no obligation to update or revise forward-looking statements to reflect actual results, changes in assumptions or changes in other factors affecting forward-looking information. We caution you not to unduly rely on the forward-looking statements when evaluating the information presented herein.

RISK FACTORS

Our business is subject to significant risks. You should carefully consider the risks and uncertainties described in this prospectus and the documents incorporated by reference herein, including the risks and uncertainties described under the caption "Risk Factors" included in Part I, Item 1A of our Annual Report on Form 10-K for the fiscal year ended December 31, 2007, which is incorporated by reference in this prospectus. Additional risk factors that you should carefully consider may be included in a prospectus supplement relating to an offering of our common stock by us or the selling stockholders.

The risks and uncertainties described in this prospectus, any applicable prospectus supplement and the documents incorporated by reference herein are not the only ones facing us. Additional risks and uncertainties that we do not presently know about or that we currently believe are not material may also adversely affect our business. If any of the risks and uncertainties described in this prospectus, any applicable prospectus supplement or the documents incorporated by reference herein actually occur, our business, financial condition and results of operations could be adversely affected in a material way. This could cause the trading price of our common stock to decline, perhaps significantly, and you may lose part or all of your investment.

USE OF PROCEEDS

Except as may otherwise be described in the applicable prospectus supplement or other offering material, we expect to use the net proceeds from the sale of the common stock by us under this prospectus for general corporate or working capital purposes, which may include, among other things, capital expenditures, repaying indebtedness, funding acquisitions and investments. We routinely consider acquiring companies in our industry. At any given time, we may be in discussions to acquire one or more companies. Depending upon the timing of any future acquisition, we may use the net proceeds from any sale of common stock offered by us under this prospectus toward the purchase price of such acquisitions. Additional information on the use of net proceeds from any sale of common stock offered by us under this prospectus will be set forth in the prospectus supplement or other offering material relating to such offering.

We will not receive any of the proceeds from the sale of shares of our common stock by the selling stockholders. We will pay all expenses incurred with respect to the registration and sale of the shares of common stock owned by the selling stockholders, other than underwriting fees, discounts and commissions, which will be borne by the selling stockholders.

DIVIDEND POLICY

We have never declared or paid dividends on our common stock and we do not anticipate declaring or paying dividends on our common stock in the foreseeable future. Instead, we currently anticipate that we will retain all of our future earnings, if any, to fund the operation and expansion of our business and to use as working capital and for other general corporate purposes. Our board of directors will determine whether to pay cash dividends in the future based on conditions then existing and the financial responsibility standards prescribed by the U.S. Department of Education, as well as any economic and other conditions that our board of directors may deem relevant. In addition, our ability to declare and pay dividends is subject to certain restrictions under our existing credit agreement.

SELLING STOCKHOLDERS

Each of the selling stockholders may resell, from time to time, all, some or none of the shares of our common stock covered by this prospectus, as provided in this prospectus under the section entitled "Plan of Distribution" and in any applicable prospectus supplement. However, we do not know when or in what amount the selling stockholders may offer their shares for sale under this prospectus, if any. We will pay all expenses incurred with respect to the registration and sale of the shares of common stock owned by the selling stockholders, other than underwriting fees, discounts and commissions, which will be borne by the selling stockholders.

The table below, which was prepared based on information filed publicly or supplied to us by the selling stockholders, sets forth the information regarding the beneficial ownership of outstanding shares of our common stock by the selling stockholders and the shares that they may sell or otherwise dispose of from time to time under this prospectus. Information concerning any of the selling stockholders may change from time to time, and any changed information will be presented in a prospectus supplement as necessary. Please carefully read the footnotes located below the table in conjunction with the information presented in the table.

The number of shares disclosed in the table below as "beneficially owned" are those beneficially owned as determined under the rules of the SEC. Such information is not necessarily indicative of ownership for any other purpose. Under the rules of the SEC, a person is deemed to be a "beneficial owner" of a security if that person has or shares "voting power," which includes the power to vote or to direct the voting of such security, or "investment power," which includes the power to dispose of or to direct the disposition of such security. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options held by that person that are currently exercisable or exercisable within 60 days of August 5, 2008 are deemed outstanding. Such shares, however, are not deemed outstanding for the purpose of computing the percentage of ownership of any other person.

The percentages of beneficial ownership is based on 25,427,733 shares of common stock outstanding on August 5, 2008. Unless otherwise indicated and subject to community property laws where applicable, the selling stockholders named in the following table have, to our knowledge, sole voting and investment power with respect to the shares beneficially owned by them.

The selling stockholders may sell the shares covered by this prospectus from time to time and may also decide not to sell all, or any, of the shares covered by this prospectus. Because the selling stockholders may offer all, some or none of the shares covered by this prospectus, we cannot estimate the number of shares of our common stock that the selling stockholders will actually own after any sale of shares pursuant to this prospectus. For purposes of this table, however, we have assumed that the selling stockholders will have sold all of their respective shares covered by this prospectus and that no additional shares of our common stock are acquired by the selling stockholders. For purposes of this table we have also assumed that we have sold all 1,500,000 shares covered by this prospectus.

DESCRIPTION OF CAPITAL STOCK

General

The following is a description of the material terms of our capital stock included in our amended and restated certificate of incorporation and amended and restated bylaws and is only a summary. You should refer to our amended and restated certificate of incorporation and amended and restated bylaws, which are incorporated by reference in this prospectus, for more information.

We are currently authorized to issue 100,000,000 shares of common stock, no par value, and 10,000,000 shares of preferred stock.

Common Stock

As of August 5, 2008 there were 25,427,733 shares of common stock outstanding, which were held of record by 19 stockholders.

Voting rights. The holders of our common stock will be entitled to one vote per share for each share held of record on any matter to be voted upon by stockholders. Our amended and restated certificate of incorporation does not provide for cumulative voting in connection with the election of directors and, accordingly, holders of more than 50% of the shares voting will be able to elect all of the directors standing for election.

Dividend rights. All shares of our common stock are entitled to share equally in any dividends our board of directors may declare from legally available sources. Our existing credit agreement currently imposes restrictions on our ability to declare dividends with respect to our common stock.

Liquidation rights. Upon liquidation or dissolution of our company, whether voluntary or involuntary, all shares of our common stock will be entitled to share equally in the assets available for distribution to stockholders after payment of all of our prior obligations, including obligations on our preferred stock.

Other matters. The holders of our common stock have no preemptive or conversion rights and our common stock is not subject to further calls or assessments by us. There are no redemption or sinking fund provisions applicable to the common stock. The rights, preferences and privileges of holders of common stock are subject to the rights of holders of shares of any series or preferred stock that may be issued in the future. All outstanding shares of our common stock, including the outstanding common stock offered in this offering, are fully paid and non-assessable.

Preferred Stock

Our amended and restated certificate of incorporation provides for the authorization of 10,000,000 shares of preferred stock. We currently do not have any preferred stock issued or outstanding and no shares of our preferred stock will be outstanding immediately following the filing of this registration statement. The shares of preferred stock may be issued from time to time at the discretion of the board of directors without stockholder approval. The board of directors will be authorized to issue these shares in different classes and series and, with respect to each class or series, to determine the dividend rate, the redemption provisions, conversion provisions, liquidation preference and other rights and privileges not in conflict with our amended and restated certificate of incorporation. The issuance of preferred stock could adversely affect the voting power of holders of common stock and the likelihood that such holders will receive dividend payments and payments upon liquidation. In addition, the issuance of preferred stock could have the effect of delaying, deferring or preventing a change in control of us. The issuance of our preferred stock provides needed flexibility in connection with possible acquisitions and other corporate purposes; however, the issuance could also make it more difficult for a third party to acquire a majority of our outstanding voting stock or discourage an attempt

to gain control of us. In addition, the board of directors, without stockholder approval, will be able to issue shares of preferred stock with voting and conversion rights that could adversely affect the voting power and other rights of the holders of common stock. The rules of the Nasdaq Global Market, which will apply so long as our common stock is listed on the Nasdaq Global Market, require stockholder approval of certain issuances equal to or exceeding 20% of the then outstanding voting power of the then outstanding number of shares of common stock. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions.

Directors' Exculpation and Indemnification

Our amended and restated certificate of incorporation provides that none of our directors shall be liable to us or our stockholders for monetary damages for any breach of fiduciary duty as a director, except to the extent otherwise required by the New Jersey Business Corporation Act, or the NJBCA. The effect of this provision is to eliminate our rights, and our stockholders' rights, to recover monetary damages against a director for breach of a fiduciary duty of care as a director, except to the extent otherwise required by the NJBCA. This provision does not limit or eliminate our right, or the right of any stockholder, to seek non-monetary relief, such as an injunction or rescission in the event of a breach of a director's duty of care. In addition, our amended and restated certificate of incorporation provides that, if the NJBCA is amended to authorize the further elimination or limitation of the liability of a director, then the liability of the directors shall be eliminated or limited to the fullest extent permitted by the NJBCA, as so amended. These provisions will not alter the liability of directors under federal or state securities laws.

Anti-Takeover Effects of the New Jersey Shareholders Protection Act

We are subject to the provisions of Section 14A-10A of the New Jersey Business Corporation Act, which is known as the "New Jersey Shareholders Protection Act." Under the New Jersey Shareholders Protection Act, we are prohibited from engaging in any "business combination" with any "interested shareholder" for a period of five years following the time at which that shareholder becomes an "interested shareholder" unless the business combination is approved by our board of directors before that shareholder became an "interested shareholder." After this five-year period has expired, any business combination with an "interested shareholder" must be approved by holders of $66\frac{2}{3}\%$ of the voting shares not held by the "interested shareholder" or meet certain prescribed value requirements. Covered business combinations include certain mergers, dispositions of assets or shares and recapitalizations.

An "interested shareholder" is (i) any person that directly or indirectly beneficially owns 10% or more of the voting power of our outstanding voting stock; or (ii) any of our affiliates or associates (as those terms are defined in the New Jersey Shareholders Protection Act) that directly or indirectly beneficially owned 10% or more of the voting power of our then outstanding stock at any time within a five-year period immediately prior to the date in question.

Certain Provisions of Our Amended Certificate of Incorporation and Bylaws

Board of Directors. Our amended and restated certificate of incorporation and amended and restated bylaws provide that our board of directors shall consist of at least three directors but not more than eleven directors, as may be determined by the board of directors from time to time. Currently, our board of directors consists of nine directors, six of whom are independent directors. Any vacancy on our board of directors, including a vacancy resulting from an enlargement of our board of directors, may be filled only by the affirmative vote of a majority of the directors then in office, though less than a quorum. Any such director so elected shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until his or her successor shall have been

elected and qualified. The limitation on filling vacancies could make it more difficult for a third party to acquire, or discourage a third party from attempting to acquire, control of our company.

Board meetings. Our amended and restated bylaws provide that special meetings of the board of directors may be called by the chairman of our board of directors, our chief executive officer or by any two directors in office.

Stockholder meetings. Our amended and restated certificate of incorporation provides that any action required or permitted to be taken by our stockholders at an annual meeting or special meeting of stockholders may only be taken if it is properly brought before such meeting and may not be taken by non-unanimous written action in lieu of a meeting. Our bylaws further provide that special meetings of the stockholders may only be called by the chairman of the board of directors, our president, by a committee that is duly designated by the board of directors, by resolution adopted by the affirmative vote of the majority of the board of directors or pursuant to an order of the New Jersey Superior Court in accordance with NJBCA.

Requirements for advance notification of stockholder nominations and proposals. Our amended and restated bylaws establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of our board of directors or a committee of the board of directors. In order for any matter to be considered "properly brought" before a meeting, a stockholder must comply with requirements regarding advance notice and provide certain information to us. These provisions could have the effect of delaying until the next stockholders meeting stockholder actions that are favored by the holders of a majority of our outstanding voting securities. These provisions could also discourage a third party from making a tender offer for our common stock, because even if it acquired a majority of our outstanding voting securities, it would be able to take action as a stockholder (such as electing new directors or approving a merger) only at a duly called stockholders meeting and not by non-unanimous written consent.

Stockholder action by written consent. Our amended and restated certificate of incorporation and amended and restated bylaws prohibit stockholder action by non-unanimous written consent and require all such actions to be taken at a meeting of stockholders of our common stock.

Cumulative voting. Our amended and restated certificate of incorporation provides that our stockholders shall have no cumulative voting rights.

Amendment of certificate of incorporation and bylaws. The amendment of the provisions described above in our amended and restated certificate of incorporation generally will require the affirmative vote of a majority of our directors, as well as the affirmative vote of the holders of at least 66²/3% of our then-outstanding voting stock. Our amended and restated bylaws may be amended (i) by the affirmative vote of the majority of our board of directors or (ii) by the affirmative vote of holders of a majority of our then outstanding voting stock.

Nasdaq Global Market Trading

Shares of our common stock are listed for trading on the Nasdaq Global Market under the symbol "LINC."

Transfer Agent and Registrar

Continental Stock Transfer & Trust Company is the transfer agent and registrar for our common stock.

PLAN OF DISTRIBUTION

We and the selling stockholders, and their pledgees, donees, transferees or other successors in interest, may, from time to time, offer and sell, separately or together, some or all of the shares of common stock covered by this prospectus. Registration of the shares of common stock covered by this prospectus does not mean, however, that those shares of common stock will be offered or sold.

The shares of common stock covered by this prospectus may be sold from time to time, at market prices prevailing at the time of sale, at prices related to market prices, at a fixed price or prices subject to change or at negotiated prices, by a variety of methods including, but not limited to, the following:

- through one or more underwriters on a firm commitment or best efforts basis;
- on the Nasdaq Global Market (including through at the market offerings);
- in the over-the-counter market;
- directly to one or more purchasers;
- through agents;
- through broker-dealers, who may act as agents or principals, including a block trade in which a broker or dealer so engaged will attempt to sell the common stock as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- through put or call option transactions relating to our common stock;
- in privately negotiated transactions; and
- in any combination of these methods of sale.

The applicable prospectus supplement will set forth:

- the specific terms of the offering of our common stock, including the name or names of any selling stockholders and any underwriters, dealers or agents participating in the offering;
- the purchase price of the common stock and the proceeds to us or the selling stockholders from the sale;
- any underwriting discounts and commissions or agency fees and other items constituting underwriters' or agents' compensation;
- the initial offering price to the public and any discounts or concessions allowed or reallocated or paid to dealers; and
- the name of any securities exchange on which the common stock may be listed.

Any public offering price, discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

We or the selling stockholders may also enter into hedging transactions with broker-dealers. In connection with such transactions, broker-dealers of other financial institutions may engage in short sales of our common stock in the course of hedging the positions they assume with us or the selling stockholders. We or the selling stockholders may also enter into options or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

Offers to purchase our securities may be solicited by agents designated by us or the selling stockholders from time to time. Broker-dealers or agents may receive compensation in the form of

commissions, discounts or concessions from us or the selling stockholders. Broker-dealers or agents may also receive compensation from the purchasers of the common stock for whom they sell as principals. Each particular broker-dealer will receive compensation in amounts negotiated in connection with the sale, which might be in excess of customary commissions. Broker-dealers or agents and any other participating broker-dealers participating in the distribution of our common stock may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of our common stock may be deemed to be underwriting discounts and commissions.

If we or the selling stockholders use underwriters for an offering of the common stock, the underwriters may acquire the common stock for their own accounts. The underwriters may resell the common stock from time to time in one or more transactions at a fixed price or prices, which may be changed, at varying prices determined by the underwriters at the time of sale, or at negotiated prices. We or the selling stockholders also may, from time to time, authorize underwriters acting as our agents to offer and sell the common stock upon the terms and conditions as will be set forth in the applicable prospectus supplement. In connection with the sale of the common stock, underwriters may be deemed to have received compensation from us or the selling stockholders in the form of underwriting discounts or commissions and also may receive commissions from purchasers of the common stock. Underwriters may sell the common stock to or through dealers, who may receive compensation in the form of discounts, concessions from the underwriters and/or commissions from the purchasers of the common stock.

Under agreements into which we or the selling stockholders may enter, underwriters, dealers and agents who participate in the distribution of the common stock may be entitled to indemnification, or contribution to payments they may be required to make, by us or the selling stockholders against some liabilities, including liabilities under the Securities Act. The terms and conditions of this indemnification or contribution will be described in the applicable prospectus supplement.

Any underwriting compensation we or the selling stockholders may pay to underwriters or agents in connection with any offering of the common stock and any discounts, concessions or commissions allowed by underwriters to participating dealers will be set forth in the applicable prospectus supplement. In compliance with guidelines of the Financial Industry Regulatory Authority, or FINRA, the maximum commission or discount to be received by any FINRA member or independent broker-dealer may not exceed 8% of the aggregate amount of the common stock offered by this prospectus; however, it is anticipated that the maximum commission or discount to be received in any particular offering of securities will be significantly less than this amount.

We or the selling stockholders may grant to the underwriters options to purchase additional common stock to cover over-allotments, if any, at the public offering price with additional underwriting discounts or commissions, as may be set forth in the applicable prospectus supplement.

Underwriters and others participating in any offering of the common stock may engage in transactions that stabilize, maintain or otherwise affect the market price of our common stock. We will describe any such activities in the prospectus supplement.

Any underwriters, dealers or agents involved in any distribution or sale of our common stock may be customers of, engage in transactions with or perform services for us or the selling stockholders or any of our or their affiliates in the ordinary course of business.

We will bear all costs, expenses and fees in connection with the registration and sale of the common stock. We will also bear the expense of all underwriting commissions and discounts, if any, attributable to the sales of the common stock by us but not by the selling stockholders.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution.

The expenses of the issuance and distribution of the securities being registered hereby, other than selling discounts and commissions, are estimated as follows:

Securities and Exchange Commission Registration Fee	\$ 11,693
Legal Fees and Expenses	400,000
Financial Industry Regulatory Authority Fees	30,254
Printing and Engraving Expenses	75,000
Accounting Fees and Expenses	125,000
Transfer Agent and Registrar Fees and Expenses	5,000
Miscellaneous	350,000
Total	<u>\$996,947</u>

All of such expenses will be paid by Lincoln Educational Services Corporation.

Item 15. Indemnification of Directors and Officers.

The New Jersey Business Corporation Act (the "NJBCA") provides that a New Jersey corporation has the power to indemnify a director or officer against his or her expenses and liabilities in connection with any proceeding involving the director or officer by reason of his or her being or having been such a director or officer, other than a proceeding by or in the right of the corporation, if such a director or officer acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation; and with respect to any criminal proceeding, such director or officer had no reasonable cause to believe his or her conduct was unlawful.

The indemnification and advancement of expenses shall not exclude any other rights, including the right to be indemnified against liabilities and expenses incurred in proceedings by or in the right of the corporation, to which a director or officer may be entitled under a certificate of incorporation, bylaw, agreement, vote of stockholders, or otherwise; *provided* that no indemnification shall be made to or on behalf of a director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his or her acts or omissions (a) were in breach of his or her duty of loyalty to the corporation or its stockholders, (b) were not in good faith or involved a knowing violation of law or (c) resulted in receipt by the director or officer of an improper personal benefit.

Our amended and restated certificate of incorporation provides that none of our directors or officers shall be liable to us or our stockholders for monetary damages for any breach of fiduciary duty as a director or officer, except to the extent otherwise required by the NJBCA. The effect of this provision is to eliminate our rights, and our stockholders' rights, to recover monetary damages against a director or an officer for a breach of a fiduciary duty of care as a director or an officer, except to the extent otherwise required by the NJBCA. This provision does not limit or eliminate our right, or the right of any stockholder, to seek non-monetary relief, such as an injunction or rescission in the event of a breach of a director's or an officer's duty of care. In addition, our amended and restated certificate of incorporation provides that, if the NJBCA is amended to authorize the further elimination or limitation of the liability of a director or an officer, then the liability of the directors or officers shall be eliminated or limited to the fullest extent permitted by the NJBCA, as so amended. These provisions will not alter the liability of directors or officers under federal or state securities laws.

Item 16. Exhibits.

The index to exhibits appears below on the page immediately following the signature pages of this registration statement.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) that, for purposes of determining liability under the Securities Act of 1933 to any purchaser:

- (i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date

such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) that, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by

controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes that:

(1) For the purpose of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of West Orange, State of New Jersey on the 7th of August, 2008.

Re: Registration Statement on Form S-3

Ladies and Gentlemen:

We serve as special New Jersey counsel to Lincoln Educational Services Corporation, a New Jersey corporation (the "Company").
